**PETITION TO RESTART PERIOD  
DUE TO NON-RECEIPT OF OFFICE ACTION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This Petition is filed to restart the period for the Office Action mailed January 31, 2006. While performing a PAIR search for this application it was determined that an Office Action was mailed on January 31, 2006. A search of our file jacket and docket records indicates that the Office Action was not received, but was first downloaded on May 7, 2006. Attached to this Petition is a print out from the firm's docket system for this specific application indicating that the Office Action was not received. Prior to the Second Information Disclosure Statement filed on May 9, 2006, as can be seen from the docket system print out, the last entries relate to the Office Action mailed on September 1, 2005 and the Response filed thereto on November 30, 2005. Applicants respectfully request the Commissioner grant this Petition, restart the period and issue a new Office Action. A global docket report to day a response would have been marked as due had the Office Action been received is also attached.

Since the non-receipt of the Office Action appears to be a Patent Office or U.S. Postal Service error, Applicants believe that no petition fee is due. However, if a petition fee is due, please charge our Deposit Account No. 02-4800.

In the event that any additional fees are due with this paper, please charge our Deposit Account No. 02-4800.

Respectfully submitted,

BUCHANAN INGERSOLL PC
